ROHS, REACH and CA Prop 65 Compliance Statement

Star Manufacturing, LTD certifies that all materials and/or work performed by us is in accordance with all specifications, drawing and all other purchase requirements. Test or inspection reports indicating conformance are on file with us or our suppliers for your examination upon request. All materials used are Rohs II compliant per Directive 2015/863 & China RoHS2, do not contain substances of very high concern (SVHC) for REACH compliance, and meet the requirements/threshold limits for CA prop 65.
